The Largest Domestic Rug Dept. of Any Store in the United States

IN OUR GREAT HOUSEFURNISHING ANNEX

The space devoted to the showing of American-made rugs at Jordan's exceeds that of any other store in this city, or elsewhere, by a large area. And this great space is none too large to accommodate the enormous assortment gathered here — rugs of highest quality and exceptional beauty from the most celebrated mills in this country.

The most harmonious color combinations are perfectly brought out in Wiltons, Axminsters, Saxonys and Brussels — all famous for their attractiveness and durability. Lowest prices prevail here at all times.

When visiting our newly refurnished Suite of Rooms (now representing a model winter home) take the opportunity to inspect this great Rug store which directly adjoins it.

Recent information from our representative in Cobalt regarding

THE ABITIBI & COBALT MINING COMPANY

has been so gratifying to us that we have been large buyers of this stock in the open market. The demand for this stock has been so heavy that the treasury shares are nearly all sold. In fact, so interested are Boston business men in this property that a certain group sent an eminent engineer to Cobalt, who has very recently returned, giving a very favorable report.

Since this engineer's return the **ABITIBI & COBALT COMPANY** have been offered a **PRICE ALMOST DOUBLE THE PRESENT MARKET QUOTATIONS FOR THE CONTROL OF THE COMPANY.**

We have advised the purchase of this stock very strongly for the reason that we stood closer to the inside and were probably **BETTER INFORMED REGARDING THE COBALT REGION THAN ANY OTHER BOSTON HOUSE.** We again urge its purchase before the advance which is sure to come. We should be pleased to execute your orders.
